

STUD CONTRACT AND TERMS AND CONDITIONS FOR CHILLED CONTRACT

SERVICE FEE: The service fee is payable prior to collection/shipment of chilled semen. If the mare returns a negative pregnancy scan at 16 days a free return to service is available. Valid for 12 months. Stallion collection and freight for each collection is to be paid by mare owner.

APPLICATION / BOOKING: All bookings must be made with the stud. All contracts should be returned to the stud prior to stallion collection. Invoice will be sent on behalf of Riverwood Lodge. The stud reserves the right the decline contracts if the mare is considered unsuitable (Due to breed, conformation, faults etc).

CHILLED SEMEN: Chilled semen is provided for insemination into one mare only per stud fee (unless arranged with Riverwood Lodge prior to collection) As soon as you start scanning your mare please make contact due to competition schedules of stallions. Chilled semen must be ordered by phoning 0411957757 and stallion collection and shipping will be organised by Caitlin Bolger direct to your nearest airport if travelling interstate. Chilled collection is preferred between Monday - Friday, however weekend collections are possible pending commitments. Chilled collection can be picked up from West Coast Vets (10 Freeman Rd Forrestdale WA). Please inform your vet collection and shipping requirements.

EMBYRO TRANSFER: In the case of embyro transfer and two successful embyo's are transferred into two recipiant mares the contract holder is to pay a second service fee for the given stallion at a 20% reduced rate.

SERVICE CERTIFICATE: Once your mare is in foal, nd on completion of a veterinary certificate to confirm this we will forward you the service certificate.

TRANSPORTATION: All costs associated with delivery and collection of mares or semen transportation are the owners account and will be arranged via Riverwood Lodge unless previously discussed.

VETERINARY CONDITION:
1) The mare owner will pay for all associated costs for chilled semen. These include transport and freight costs. Neither Riverwood Lodge or any associated entity will accept responsibiloity for the safe and on time delivery of the chilled semen.
2)The owner of the mare must forward to the stud , within 60 days of the last ervice a veterinary certificate proving either a positive or negative pregnancy test and a service certificate issued.

FREE RETURN: In the event that a pregnant mare does not produce a live foal or the foal dies within 24 hours of the time of birth the stud will offer a free return. However if he stallion is not available via chilled, frozen semen will be available or choice of another stallion at stud. Another mare may be substituted.
